

Attorney Docket No. TSEN.P005

REMARKS

Claims 1-20 are pending in the application.

Claim Rejections under Double Patenting

5 Claims 1-20 are provisionally rejected under the judicially created doctrine of
double patenting over claims 1-20 of co-pending Application Number 10/745,345 and
over claims 1-15 of co-pending Application Number 10/613,489. Applicants submit
herewith a "Terminal Disclaimer to Obviate a Double Patenting Rejection in View of a
10 Copending Patent Application" for each of these two co-pending applications to
overcome this rejection. Applicants therefore respectfully request removal of this
rejection.

Conclusion

15 In view of the foregoing remarks, Applicants respectfully submit that claims 1-20
as presented herein are in condition for allowance. Thus, allowance of the claims is
requested. If in the opinion of Examiner Crosland a telephone conference would expedite
the prosecution of the subject application, or if there are any issues that remain to be
resolved prior to allowance of the claims, Examiner Crosland is encouraged to call Rick
Gregory at (408) 342-1900.

20

Respectfully submitted,
Courtney Staniford & Gregory LLP
